

CURRICULUM VITAE

ALLAN RICHARD RUTZEN, M.D., F.A.C.S.

DATE January 24, 2013

ADDRESS **Rutzen Eye Specialists**
489 Ritchie Highway #200
Severna Park, MD 21146
Telephone: 410-975-0090
Fax: 410-975-0089
Email: arutzen@RutzenEye.com

EDUCATION

Cornell University, Ithaca, New York 1985
B.S. with Distinction and with Honors, Biology

Cornell University Medical College, New York, New York 1989
M.D. with Honors in Research

POST GRADUATE EDUCATION

Internal Medicine Internship 1989-1990
Harvard Medical School
Mount Auburn Hospital
Cambridge, Massachusetts

Ophthalmology Residency 1990-1993
Tufts University School of Medicine
New England Eye Center
Boston, Massachusetts

Ocular Inflammation and Infection Fellowship 1993-1994
Narsing A. Rao, MD and Ronald E. Smith, MD
University of Southern California School of Medicine
Doheny Eye Institute
Los Angeles, California

Corneal Disease and Refractive Surgery Fellowship 1994-1995
Herbert E. Kaufman, MD, Marguerite B. McDonald, MD,
Bruce A. Barron, MD, and Michael S. Insler, MD
Louisiana State University Medical Center
New Orleans, Louisiana

CERTIFICATIONS

Diplomate, National Board of Medical Examiners	1990
Diplomate, American Board of Ophthalmology	1994
VISX Hyperopic Astigmatism Training course	2000
VISX CustomVue	2003
American Board of Ophthalmology Recertification	2004
Whitestar Bimanual MicroPhaco Course	2004
VISX Physician CustomVue Certification Course	2005
VISX Fourier Wavefront	2005
VISX Integrating Fourier Wavefront Upgrade	2005
VISX CustomVue Hyperopia and Hyperopic Astigmatism	2005
VISX CustomVue Mixed Astigmatism	2005
VISX Iris Registration	2005
VISX CustomVue High Myopia	2005
Intralase laser for LASIK	2005
VISX CustomVue for Monovision	2008
LenSx laser-assisted cataract surgery	2013

MEDICAL LICENSURE

Maryland Medical License D51102	1996-present
---------------------------------	--------------

EMPLOYMENT HISTORY

Volunteer Ophthalmologist	1995-1996
Conducted first house-to-house survey of blindness and eye disease, taught surgical and clinical ophthalmology to local eye doctors in Cambodia, Vietnam, and China	
Helen Keller International Cambodia, Vietnam, and China	
Adjunct Assistant Professor of Ophthalmology	1995-1996
Louisiana State University Eye Center Louisiana State University Medical Center New Orleans, Louisiana	

Assistant Professor of Ophthalmology Co-Director, Refractive Surgery Service Co-Director, External Eye Disease and Uveitis Service Department of Ophthalmology University of Maryland School of Medicine Baltimore, Maryland	1996-2001
Associate Professor of Ophthalmology Co-Director, Refractive Surgery Service Co-Director, External Eye Disease and Uveitis Service Department of Ophthalmology University of Maryland School of Medicine Baltimore, Maryland	2001-2007
Visiting Professor of Ophthalmology University of Navarra Pamplona, Spain	2005-present
Ophthalmologist, owner Rutzen Eye Specialists and Laser Center Severna Park, Maryland	2007-present

HOSPITAL AND MEDICAL CENTER AFFILIATIONS

University of Maryland Medical Center	1996-2007
Mercy Medical Center	1998-2007
Anne Arundel Medical Center	2007-present

PROFESSIONAL MEMBERSHIPS

American Academy of Ophthalmology	1990-present
American Society of Cataract and Refractive Surgery	1991-2007
Association for Research in Vision and Ophthalmology	1996-2007
International Society of Refractive Surgery	1996-2007
Medical and Chirurgical Faculty of Maryland	1997-present
Baltimore City Medical Society	1997-2007
Anne Arundel County Medical Society	2007-present
Pan-American Association of Ophthalmology	1998-2006
Fellow, American College of Surgeons	1999-present

HONORS AND AWARDS

Cornell Tradition Academic Fellowship Financial award in recognition of academic excellence Cornell University	1983-1985
The Dean's Tuition Fellowship Full tuition award in recognition of academic achievement and future academic potential Cornell University Medical College	1985-1989
Eyer Educational Corporation Academic Fellowship Financial award in recognition of academic achievement Cornell University Medical College	1985-1989
NIH Summer Research Fellowship Cornell University Medical College	1986
NIH Summer Research Fellowship Cornell University Medical College	1987
Aaron Diamond Fellowship for the Externship in Human Rights and Health Care For excellence in delivery of world health service Aravind Eye Hospital, Madurai, India Columbia College of Physicians and Surgeons, New York, New York	1989
Vietnam Ministry of Health Certificate of Recognition For excellence in developing and teaching program in cataract surgery Vietnam Ministry of Health Hanoi, Vietnam	1996
Binh Thuan Hospital Service Recognition For excellence in developing and teaching program in cataract surgery Binh Thuan, Vietnam	1996
Ang Duong Hospital Certificate of Appreciation For contributions to eye doctor training and implementation of the first survey of eye conditions and blindness Phnom Penh, Cambodia	1996

- University of Maryland Certificate of Recognition** 1999
In recognition of support as a mentor in Short Term
Research Training Program
Baltimore, MD
- Baltimore Magazine Top Docs** 2000
Selected by peers as one of Baltimore's finest physicians
Baltimore, MD
- Life Member of the National Registry of Who's Who** 2001
Recognizing exemplary service, both to the community and
profession
Published in 2001 edition of National Registry of Who's Who
- HERO Certificate of Appreciation** 2001
In recognition of valuable contributions to HERO
Baltimore, MD
- LaserVision Certificate of Appreciation** 2002
In recognition of dedication to latest technology and
exceptional patient care
Baltimore, MD
- Member of the Kingston's National Registry of Who's Who** 2002
Recognizing contributions to the profession and community
Published in 2002 edition of Kingston's National Registry
of Who's Who
- University of Maryland Certificate of Appreciation** 2002
For dedicated service to Mini-Med School
Baltimore, MD
- Member of America's Registry of Outstanding Professionals** 2002
Recognizing leadership and contribution in the field of Ophthalmology
Published in 2002-2003 edition of America's Registry of Outstanding
Professionals
- Selected as one of America's Top Ophthalmologists** 2002
Recognizing experience, training, and professional associations
Published in 2002-2003 edition of the Guide to America's Top
Ophthalmologists
- Commander's Medal, Naval Medical Center** 2002
For outstanding performance
Portsmouth, VA

LaserVision Milestone Award	2002
For reaching a milestone level of procedures with LaserVision Centers	
Selected as one of America's Top Ophthalmologists	2003
Recognizing experience, training, and professional associations Published in 2003-2004 edition of the Guide to America's Top Ophthalmologists	
Appreciation Award for Resident Teaching	2004
Recognizing contributions to resident teaching, University of Maryland Ophthalmology Residents	
Selected as one of America's Top Ophthalmologists	2004
Recognizing experience, training, and professional associations Published in 2004-2005 edition of the Guide to America's Top Ophthalmologists	
Manchester Who's Who Among Executives and Professionals	2005-2006
Published in the Honors Edition of the Registry	
AcademicKeys Who's Who in Medical Sciences Education	2004-2005
Recognizing contributions in medical education	
American Medical Association Physician's Recognition Award with Commendation in Continuing Medical Education	2005
American Academy of Ophthalmology Achievement Award	2005
Recognizing contributions to the American Academy of Ophthalmology	
Best Surgical Mentor Award	2005
Ophthalmology Residents, University of Maryland	
Selected as one of America's Top Ophthalmologists	2005
Recognizing experience, training, and professional associations Published in 2005-2006 edition of the Guide to America's Top Ophthalmologists	
Best Doctors in America 2005-2006 Database	2005
Selected by peers as one of America's best doctors	
Selected as one of America's Top Ophthalmologists	2006
Recognizing experience, training, and professional associations Published in 2006-2007 edition of the Guide to America's Top Ophthalmologists	
Best Doctors in America 2006-2007 Database	2006

Selected by peers as one of America's best doctors

Appreciation Award, Department of Ophthalmology 2007
Recognizing dedication, service and support of the University
of Maryland Department of Ophthalmology & Visual Sciences

Selected as one of America's Top Ophthalmologists 2007
Recognizing experience, training, and professional associations
Published in 2007-2008 edition of the Guide to America's Top
Ophthalmologists

Best Doctors in America 2007-2008 Database 2007
Selected by peers as one of America's best doctors

Selected as one of America's Top Ophthalmologists 2008
Recognizing experience, training, and professional associations
Published in 2008-2009 edition of the Guide to America's Top
Ophthalmologists

Best Doctors in America 2008-2009 Database 2008
Selected by peers as one of America's best doctors

Selected as one of America's Top Ophthalmologists 2009
Recognizing experience, training, and professional associations
Published in 2009-2010 edition of the Guide to America's Top
Ophthalmologists

Best Doctors in America 2009-2010 Database 2009
Selected by peers as one of America's best doctors

Selected as one of the region's Best Physicians 2009
Published in What's Up Annapolis 2009 Top Doctors

Favorite Doctor 2010
Selected by patients as 2010 Reader's Favorite Docs
Published in Chesapeake Family's Favorite Docs

Spotlighted in The Leading Physicians of the World 2011
Selected as a Top Ophthalmologist by the International
Association of Healthcare Professionals
Published in The Leading Physicians of the World 2011

	Board of Directors Maryland Society of Eye Physicians & Surgeons Baltimore, MD	2007-2011
	Alternate Delegate to MedChi Anne Arundel County Medical Society Severna Park, MD	2010-2012
	Program Chair Maryland Society of Eye Physicians & Surgeons Baltimore, MD	2007-2008
	Board of Directors Baltimore City Medical Society Baltimore, MD	2004-2007
	Membership Committee Baltimore City Medical Society Baltimore, MD	2004-2007
	Nominating Committee Baltimore City Medical Society Baltimore, MD	2004-2007
National Service	Field Test Reviewer American Board of Ophthalmology	1998
	Ad Hoc Grant Reviewer, US FDA Orphan Products Development United States Food and Drug Administration	2000
	Co-Editor <i>Ophthalmology Capsule & Comment</i>	1998-2005
	Editorial Boards <i>Comprehensive Ophthalmology Update</i>	1999-2009

Journal Reviewer

<i>Ophthalmology</i>	1997-present
<i>Current Eye Research</i>	1997
<i>Archives of Ophthalmology</i>	1998-present
<i>Ophthalmic Epidemiology</i>	1998-present

Ask the Expert

University of Maryland web based question and answer 2005-2007

Preferred Practice Patterns panel

2006-present
Wrote, with other experts, American Academy of Ophthalmology Preferred Practice Pattern publication on Refractive Errors and Refractive Surgery American Academy of Ophthalmology

Clinical Correspondent for the American Academy of Ophthalmology

2007-present
Spokesperson for the American Academy of Ophthalmology

Advisory Committee Member, US FDA

2009-2012
Dermatologic and Ophthalmic Drug Advisory Committee
United States Food and Drug Administration

International Service Subcommittee on the Prevention of Blindness 1995-1996
Ministry of Health of the Kingdom of Cambodia
Phnom Penh, Cambodia

Coordinating Committee of Nongovernmental Organizations 1995-1996
Phnom Penh, Cambodia

TEACHING SERVICE

Ophthalmology Residents 1996-2007

Co-Director, Refractive Surgery, External Eye Disease and Uveitis Service

Clinics: outpatient service, operating room, hospital rounds

Basic Cornea and Uveitis Lectures: 15 lectures per year

Wet Labs: allocated space in my research lab, set up instruments, scheduled and supervised sessions including demonstrations

Ophthalmology Fellows

Omolabake Edema, M.D. 1998-1999
ECFMG Observer Clinical Fellowship from Nigeria

Arben Anastas, M.D. Observer Fellowship from Albania	1998-1999
Ahad Deen, M.D. Research Fellow	1999-2000
Jennifer H. Jacobs, M.D. Clinical Fellowship, External Disease and Refractive Surgery	1999-2000
Carlos Daille, M.D. Observer Fellowship from Chile	2001

Medical Students

Andrew Epstein, Visiting Medical Student Visiting Student Mentor	1998
Brett Levinson, Medical Student University of Maryland Short-term Research Program	1999-2001
Carol Lin Medical Student Mentoring	2002-2003
Amir Guerami Medical Student Mentoring	2003-2004
Preceptor, Physical Diagnosis Course Small group sessions on ophthalmoscopy, basic techniques University of Maryland Medical School	1998-2007
Preceptor, bedside teaching rounds University of Maryland Medical School	1999
Co-Course Master Third-year Medical Student Ophthalmology Rotations University of Maryland Medical School	2004-2007

Optometry Students

Visiting optometry student teaching Eight students per year (64 students to date) New England College of Optometry	1998-2007
--	-----------

Other

Jamaica Medical and Surgical Mission 1998-2007
 One or two residents per trip, yearly travel to Jamaica
 to provide eyecare in rural underserved region

COURSES DIRECTED

Clinical and Surgical Ophthalmology, National Eye Hospital 1995-1996
 Phnom Penh, Cambodia

Skills transfer course on cataract surgery for ophthalmologists 1996
 Binh Thuan, Vietnam

Skills transfer course on cataract surgery for ophthalmologists 1996
 Phan Thiet, Vietnam

Primary Eye Care, Kingdom of Cambodia Ministry of Health 1996
 Takeo, Cambodia

Cornea Day 1998
 Maryland Society of Eye Physicians and Surgeons
 Baltimore, MD

Advances in Laser Applications for Ophthalmology 1998
 Optical Society of America
 Baltimore, MD

Cataract Surgery: Wet Lab Instruction 2001
 University of Maryland
 Peapack, NJ

Cataract Surgery: Wet Lab Instruction 2002
 University of Maryland
 Peapack, NJ

Phacoemulsification Under Special Circumstances: 2003
Diabetes mellitus, Uveitis, Glaucoma, and Fuchs'
Endothelial Dystrophy
 Hemady RK, Rutzen AR, Nguyen A
 American Academy of Ophthalmology Annual Meeting
 Anaheim, CA

A Stress-Free Step-by-Step System of Teaching 2004
Phacoemulsification Skills to Beginners
 Hemady RK, Rutzen AR
 American Society of Cataract and Refractive Surgery Annual Meeting
 San Diego, CA

Phacoemulsification Under Special Circumstances: Diabetes Mellitus, Uveitis, and Glaucoma	2004
Hemady RK, Rutzen AR American Academy of Ophthalmology Annual Meeting New Orleans, LA	
Phacoemulsification Under Special Circumstances: Diabetes Mellitus, Uveitis, and Glaucoma	2005
Hemady RK, Rutzen AR American Academy of Ophthalmology Annual Meeting New Orleans, LA	
New Techniques in Ophthalmology: Tools You Can Use in Practice	2006
Maryland Society of Eye Physicians & Surgeons Baltimore, MD	
Advances in Ophthalmology: Lectures & Interactive Case Presentations	2007
Maryland Society of Eye Physicians & Surgeons Baltimore, MD	

GRANT SUPPORT

Investigator	1994-1995
A double-masked, double-dummy, randomized, acyclovir controlled, parallel group study to compare the efficacy and safety of famciclovir with acyclovir in the treatment of patients with ophthalmic zoster SmithKline Beecham Pharmaceuticals LSU Medical Center New Orleans, LA	
Principal Investigator	1996-2007
Endokeratoplasty: Corneal endothelial transplantation Department of Ophthalmology Seed Funds Total Costs Awarded: \$20,000	
Principal Investigator	1998-1999
Endokeratoplasty: A Technique for Corneal Endothelial Transplantation University of Maryland School of Medicine Intramural Award Total Costs Awarded: \$14,400	
Principal Investigator	1999-2002
Endokeratoplasty	

Central Florida Lion's Eye Bank
 Provision of human eyebank eyes: \$4,000 in-kind/year

Co-investigator 1999-2000
 A Multi-Center, Investigator Masked Study Evaluating the
 Safety and Efficacy of Cyclosporine 0.05% Ophthalmic
 Emulsion for up to Six Months in Patients with Mild to
 Moderate Keratoconjunctivitis Sicca.
 Allergan, Inc.
 Total Costs Awarded: \$25,920

Co-investigator 1999-2003
 The Effect of Vasoactive Intestinal Peptide on Survival of
 the Corneal Endothelium in Storage Media
 Central Florida Lion's Eye Bank
 Provision of human eyebank eyes: \$8,000 in-kind/year

INVENTIONS

Endokeratoplasty Suction Ring
 An instrument designed for transplantation of the corneal endothelium
 and its basement membrane for use in corneal endothelial
 transplantation, employing the use of a spring-loaded syringe
 attached to a novel suction ring device

LASIK Treatment Software
 Software for calculation of laser vision correction treatment parameters

COMMUNITY SERVICE

Charitable Donations of Vision Correction Surgery

American Heart Association	2000
Boys and Girls Clubs of Maryland	2000
Health Education Resource Organization	2000
Maryland Charities	2001
Health Education Resource Organization	2001
Maryland Chamber of Commerce	2001
Leukemia Society	2001
Health Education Resource Organization	2003

Local**Board of Directors** 1997-2001

Health Education Resource Organization (HERO)

A private, nonprofit, community-based organization best known for AIDS Walk, offering education and services to people with HIV and AIDS

Baltimore, MD

Board of Directors 1997-2003

School 33 Art Center

A city-supported, nonprofit organization whose mission is to increase opportunities for local artists and the community to engage in the visual arts through child and adult education, exhibitions, and studio space

Baltimore, MD

Member 2000-2005

Fells Point Creative Alliance

Baltimore, MD

Member 2000-2005

Baltimore Council on Foreign Affairs

Baltimore, MD

General Eye Health Screening 2000

Maryland State Legislature

Annapolis, MD

Laser Vision Correction Health Fair 2000

Bethlehem Steel

Dundalk, MD

Laser Vision Correction Health Fair 2000

Back Yard Bash

Baltimore, MD

International**Southeast Asia Regional Consultant** 1995-1996

Helen Keller International

Conducted first house-to-house survey of blindness and eye disease and taught surgical and clinical ophthalmology to local eye doctors in Cambodia, Vietnam, and China

Jamaica Medical and Surgical Mission 1998

Ten day mission to a rural, underserved region for the provision of eyecare and surgery

Resident teaching-Michael Magbalon, MD

Jamaica Medical and Surgical Mission Resident teaching-Scott Becker, MD	1999
Jamaica Medical and Surgical Mission Resident teaching-Pranay Gupta, MD	2000
Burma Medical and Surgical Mission Two week visit to a rural, underserved region for the provision of eyecare and surgery Resident teaching-Tin Way, MD	2002
Jamaica Medical and Surgical Mission Resident teaching-Amie Squires, MD	2002
Jamaica Medical and Surgical Mission Resident teaching-Roxana Ursea, MD	2003
Jamaica Medical and Surgical Mission Resident teaching-Amish Purohit, MD	2004

Abstracts

1. Rutzen AR, Roberts CW, Driller J, Gomez D, Coleman DJ, Lizzi FL: The effects of high intensity focused ultrasound on corneal curvature. *Inv Ophthalmol Vis Sci*, 28:S225, 1987.
2. Goren MB, Rutzen AR, Raizman MB: The effect of corneal hypesthesia on the lactoferrin content of tears. *Inv Ophthalmol Vis Sci*, 33:S951, 1992.
3. Rutzen AR, Ortega G, Frambach, Rao NA: Indocyanine-green angiography using the scanning laser ophthalmoscope in Vogt-Koyanagi-Harada syndrome. *Inv Ophthalmol Vis Sci*, 35:1982, 1994.
4. Ortega G, Rutzen AR, Zhao J, Frambach DA, Rao NA: Macular choroidal circulation in Vogt-Koyanagi-Harada syndrome assessed with indocyanine-green angiography using the scanning laser ophthalmoscope. *Inv Ophthalmol Vis Sci*, 35:S2104, 1994.
5. Cunha MF, Zhao J, Rutzen AR, Ortega G, Rao NA, Frambach DA: Macular choroidal capillary filling time is delayed in Vogt-Koyanagi-Harada disease. *Inv Ophthalmol Vis Sci*, 35:S1636, 1994.
6. Patel SS, Rutzen AR, Marx JL, Thach AB, Chong LP, and Rao NA: Cytomegalovirus papillitis in patients with acquired immunodeficiency syndrome. I. Visual prognosis of patients treated with

- ganciclovir and/or foscarnet. American Academy of Ophthalmology, San Francisco, California, 1995.
7. Rutzen AR, Magbalon MJ, Rodrigues MM: Endokeratoplasty: A technique for endothelial transplantation using Descemet's membrane as a carrier. *Inv Ophthalmol Vis Sci*, 38:S856, 1997.
 8. Rutzen AR, Magbalon MJ: A new instrument designed for endokeratoplasty. American Academy of Ophthalmology 1997 Annual Meeting, San Francisco, CA, 1997.
 9. Tanguilig GG, Ortega-Larrocea, Rutzen AR: Regression of CMV retinitis without specific anticytomegalovirus therapy. *Inv Ophthalmol Vis Sci*, 39:S133, 1998.
 10. Sobol AL, Steidl SM, Rutzen AR: Treatment of the progressive outer retinal necrosis syndrome with the intravitreal ganciclovir implant. *Inv Ophthalmol Vis Sci*, 39:S135, 1998.
 11. Rutzen AR, Elish NJ, Schwab L, Pizzarello LD: Causes of blindness and visual impairment in Cambodia. *Inv Ophthalmol Vis Sci*, 39:S647, 1998.
 12. Epstein AJ, Rutzen AR: Cataract surgery in the Brown-McLean syndrome. *Inv Ophthalmol Vis Sci*, 39:S1023, 1998.
 13. Maldonado MJ, Sabada LM, Rutzen AR, Aliseda D, Layana AG, and Moreno-Montanes J: The effect of post-PRK corneal haze on standard and blue-on yellow threshold perimetry. American Academy of Ophthalmology 1999 Annual Meeting, Orlando, FL, October 1999.
 14. Magbalon MJ, Johnson MA, Hemady RK, Rutzen AR: Retinal pigment epithelial functional changes with plaquenil: How much is toxic? *Inv Ophthalmol Vis Sci*, 40:S989, 1999.
 15. Sheik ZA, Hemady RK, Rutzen AR: Comparison of topical anesthesia regimens. *Inv Ophthalmol Vis Sci*, 40:S549, 1999.
 16. Gupta P, Rutzen AR, Spinak D, Hemady RK: New onset uveitis in the elderly. *Inv Ophthalmol Vis Sci*, 40:S146, 1999.
 17. Rutzen AR, Hemady RK, Sheik ZA: Corneal endothelial rejection ring in a corneal graft. *Inv Ophthalmol Vis Sci*, 40:S636, 1999.
 18. Rutzen AR and Maldonado MJ: LASIK overcorrection may be caused by repeated intraoperative drift. American Society of Cataract and Refractive Surgery Symposium on Cataract, IOL and Refractive Surgery, May 2000.
 19. Maldonado MJ and Rutzen AR: Discontinuation of contact lens wear before refractive surgery: effect on the central corneal endothelium and thickness. American Academy of Ophthalmology 2000 Annual Meeting, Dallas TX, October 22, 2000.
 20. Rutzen AR, Deen A, Jacobs JH, Levinson BA: Preparation of viable corneal endothelium for endokeratoplasty. *Inv Ophthalmol Vis Sci*, 41:S449, 2000.

21. Juberias JR, Maldonado MJ, Rutzen AR, Layana AG, Sanchez-Tocino H, Rodriguez-Conde R, Pinero DP: Postoperative complications associated with eyelid inflammatory disorders following laser in situ keratomileusis (LASIK). American Academy of Ophthalmology Annual Meeting, Orlando, FL, 2002.
22. Corcostegui IA, Pinero PD, Layana AG, Moreno JM, Rutzen AR, and Maldonado MJ: Safety of Lasik in myopic patients with the diagnosis of ocular hypertension. American Academy of Ophthalmology 2004 Annual Meeting, New Orleans, LA, October 25, 2004.
23. Maldonado MJ, Nieto JC, Calero J, Rutzen AR: Topical autologous serum to treat delayed epithelial healing after surface ablation refractive surgery. American Academy of Ophthalmology 2006 Annual Meeting, Las Vegas, NV, November 13, 2006.
24. Maldonado MJ, Nieto JC, Ciare JM, Arriero MM, Gil C, Rutzen AR: Advanced surface ablation with and without topical autologous serum: A comparative study. American Academy of Ophthalmology 2007 Annual Meeting, New Orleans, LA, November 12, 2007.

Editorials

1. Rutzen AR: Comments on: Clinical manifestations and therapy of herpes zoster ophthalmicus. *Comp Ophthalmology Update*, 3:227, 2002.
2. Rutzen AR: Comments on: Pharmacotherapy of photorefractive keratectomy. *Comp Ophthalmology Update*, 4: , 2003.
3. Rutzen AR: Comments on: Descemet's membrane detachment following cataract surgery. *Comp Ophthalmology Update*, 5:231, 2004.
4. Rutzen AR: Comments on: Cataract surgery in the glaucoma patient. *Comp Ophthalmology Update*, 6:121, 2005.

Letters to the Editor

1. Tanguilig GG, Rutzen AR, Ortega-Larrocea G: Regression of cytomegalovirus retinitis associated with protease inhibitors-treatment in patients with AIDS. *Am J Ophthalmol* 125:567, 1998.

Published Illustrations

1. Rutzen AR: [Physiology of corneal endothelium]. In Abib FC (ed.): [Specular Microscopy of Cornea]. Rio de Janeiro, Revinter, Ltd, 2000.

Book Reviews

1. Rutzen AR: Review of Refractive surgery (edited by Dimitri T. Azar, Appleton and Lange, 1997). *Ophthalmic Surg Las* 30:689, 1999.
2. Rutzen AR: Review of Advancements in LASIK CD-ROM: Techniques for Prevention and Management of Complications (Gimbel HV, Anderson Penno EE, Slack, Inc., 2001). *Arch Ophthalmol* 120:409, 2002.

MAJOR INVITED SPEECHES OR TALKS

1. Rutzen AR, Ortega-Larrocea G, Dugel PU, Chong LP, Lopez PF, Rao NA: Retinal and choroidal biopsy in intraocular inflammation: a clinicopathologic study. American Ophthalmological Society, Pebble Beach, CA, 1994.
2. Rutzen AR: Vitamin A and blindness prevention in Cambodia. International Agency for the Prevention of Blindness International Forum, Hanoi, Vietnam, 1996.
3. Rutzen AR: The status of blindness prevention in Cambodia. Southeast Asia NGO Forum, Hanoi, Vietnam, 1996.
4. Rutzen AR: Primary medical treatment of glaucoma. VII Oslo Symposium in Ophthalmology, Oslo, Norway, 1996.
5. Rutzen AR: Ophthalmology for the primary care practitioner- acquired immunodeficiency syndrome in the eye. Medical and Chirurgical Society Annual Meeting, Baltimore, MD, May 3, 1997.
6. Rutzen AR: Diagnosis and management of cytomegalovirus retinitis. Ninth Annual Maryland Conference on AIDS: A Challenge to Primary Care, University of Maryland School of Medicine, Baltimore, MD, 1997.
7. Rutzen AR: Case presentations and panel discussion. Ninth Annual Maryland Conference on AIDS: A Challenge to Primary Care, University of Maryland School of Medicine, Baltimore, MD, 1997.
8. Rutzen AR: Common eye problems. 23rd Annual Family Medicine Review Course, University of Maryland School of Medicine, Ocean City, MD, 1997.
9. Rutzen AR: Recognizing HIV-related retinal disease. Retina for the Comprehensive Ophthalmologist, University of Maryland School of Medicine, Baltimore, MD, 1997.
10. Rutzen AR, Dunn JP, Haller J, Hemady RK: Inflammatory disease and the retina case presentations and panel discussion. Retina for the Comprehensive Ophthalmologist, University of Maryland School of Medicine, Baltimore, MD, 1997.

11. Rutzen AR: Could it be Fuchs' heterochromic iridocyclitis? Controversies in glaucoma course, University of Maryland School of Medicine, Baltimore, MD, 1997.
12. Rutzen AR: Ocular herpes infections. Grand Rounds, Doctor's Community Hospital, Lanham, MD, October 16, 1997.
